

Pulaski Pedal Fest

Join us for a celebration of the biking opportunities Pulaski has to offer!

Enjoy a buffet style ride menu on **Saturday, October 1st.**

- **9 am** Morning starts off a 9am offering. You can start off nice and easy with a gentle ride down and back on the Dora Connector Trail; this ride is suitable for most riders.

Can't get enough of that New River Trail riding? Continue on down to Draper, grab a snack and head on back.

- **Noon** At Noon we'll head up to Gatewood Lake and back. This selection is for the more advanced connoisseur who has the skills to climb hills and negotiate roads with traffic.
- **5 pm** Evening brings to the main course. A trip from the depot up Valley Street for some Mountain Biking in the woods. This ride will really work up an appetite! Explore the woods on trails that range from mild to wild!

You can enjoy a sampling of the different rides around the town, or go whole hog and do every ride. No sign-up fees, or reservations required; just a bicycle ride, or two, or three.
